*Note: With the exception of Transit, if all areas are a "No", then the top 3 areas will be reviewed. The additional area is: Organization of MPO/TPO*
Noteworthy Practice

- Transit – RideOn initiatives and partnership for multi-regional coordination

Corrective Action

- Outreach and Public Involvement – Mandatory elements of the Public Participation Plan are not addressed in the TPO’s PPP.
Recommendations

- **MPO Structure** – Strengthening the Distinct identity of the FL-AL TPO
- **Agreements** – Update of citations when renewing agreements
- **Transit** – Regular coordination with area transit providers
- **Outreach and Public Participation** – Update of the TPO’s website to make information more readily accessible and have various communities test it
Recommendations

- **Outreach and Public Participation** – strategy to help TPO to demonstrate equity and non-discrimination in project planning
- **Outreach and Public Participation** – Ensure general PPP and specific public involvement plans for LRTP are consistent
- **Long Range Transportation Plan** – Ensure the TPO expands coordination efforts with appropriate service providers to include project development activities in AL areas of TPO
